Hi,

Location 2 is not the same location reported in my request for authorization.

This photo is of an area in the polygon.

The description of this location is inaccurate not reflecting and showing the primary location.

Please advise today.

Thanks,

Good morning all,

Team 1- CD 1 will not have LAPD coverage to conduct a full CSLA ops. Northeast Division is scheduled for 2 different CD's today which they are unable to support. They are also short personnel due to the funeral that is taking place today.

The first 2 locations will be **SPOT CLEAN** only.
